

Love Literacy!

In this session, you can be as creative as you like!

Firstly, watch this short film (the link is on the website):

5 Metres 80 (High Diving giraffes)

Back legs apart and front legs slightly arched, a group of giraffes take turns diving into an Olympic-sized swimming pool. Cube Creative celebrates its 10th anniversary with '5m80', a short by Nicolas Deveaux featuring high diving giraffes.

What could you possibly write about linked to this video:

- Write a news report of the event.
- Eyewitness report
- Describe the giraffe in detail.
- Use show me don't tell me throughout, describing all that happens as if it is a human and then reveal at the end that it is in fact a giraffe.
- Write through the eyes of the giraffe.

More ideas if needed:

- Could you be on a journey?
- Comedy;
- Poetry;
- Start of a story;
- Middle part of the story;
- Or just the ending of the story.

The possibilities are endless and there are no wrong answers. Yet remember to use your writing skills taught in your Literacy and SPaG lessons!

Once you have completed your chosen style of writing, publish it and then send it in to your class teacher via Purple Mash or your class email. We cannot wait to see how creative you are!
