

# Job Hazard Form

This form highlights hazards related to the role that could pose a risk to the post holder.

Role Title: Class Teacher

## Manual Handling

The types of manual handling operation involved in this role are the movement of classroom furniture and equipment and the movement of PE equipment.

These manual handling operations are required on a frequent basis.

The weights involved in these manual handling operations are up to 11-15 kg.

## Display Screen Equipment

This role will require the postholder to be a Display Screen Equipment User. This will involve use of a laptop/desktop computer, virtual learning platform, whiteboard and projector.

## Job Characteristics

This role involves working with children between 7 and 11 years old. This role also involves working with children and young people with special needs including those with statements of Special Educational Needs.

This role also has potential to involve verbal abuse and/or aggression and this is likely on an infrequent basis. The role is also likely to require physical behaviour management interventions for which the postholder will be trained.

## Work Environment

This role involves being able to access the 1<sup>st</sup> floor classrooms. Access to this floor is by stairs only.

This role is carried out in an environment which involves occasional outdoor work.

## COSHH (Control of Substances Hazardous to Health)

### **Biological Hazards**

It is possible that postholder may come into routine or regular contact with people with infections or human bodily fluid e.g. through first aid/soil/waste.

Applicants should be aware that where roles are exposed to hazardous risks, risk assessments are undertaken and control measures are put into place where possible.
