1. We believe it is important to create a safe, respectful and inclusive environment for pupils, staff and parents in our school. We encourage clear, open communication links with parents as we believe it has a positive impact on pupils' learning. It provides parents with the information they need to support their child's education and helps to build a partnership between home and school. Such communication can be entirely positive and practical, for example to seek information, ask a question, clear up a misunderstanding or to draw attention to a matter. Sometimes there is a need to resolve an issue or misunderstanding.
2. We use the term 'parents' in this policy to refer to:
  - Anyone with parental responsibility for a pupil
  - Anyone caring for a child (such as grandparents or child-minders)
3. The term member of staff as referred to in this policy includes:
  - Anyone employed by the school
  - Anyone training in a professional capacity at the school
  - Governors (when acting in this capacity)
  - Volunteers at the school (when acting in this capacity)
  - Anyone employed through an external agency, who are acting in a professional capacity on the school site
4. This communication policy aims to set out the methods of communication available to parents for contacting the school and our expectations from parents when visiting our school or communicating with staff at our school.
5. We acknowledge that sometimes there can be situations that can be emotional and challenging for parents and staff to work through. Nonetheless, we expect all our community to show mutual respect. We have clear expectations and guidelines on behaviour for all members of our community. This includes staff (through the Staff Code of Conduct), pupils (through our Behaviour Policy) and parents/carers/visitors (through Unacceptable Conduct for Parents/Carers or Visitors Policy). We also expect parents to engage constructively with school staff and to work together with them in the best interests of our children.
6. We will only communicate with parents in respect of their own child at the school. Requests to raise a concern on behalf of another parent will be declined, as will be requests for information on another child. Should any correspondence be received from legal advisers then this will be shared with the school's legal advisers.
7. If parents are considering making a formal complaint, there is a link here to the Complaints Policy (available on the school website). However, the informal stage of our Complaints Policy suggests that other forms of communication can often help in resolving issues and we encourage parents to use this route. However, this is not

compulsory and does not prevent the use of the complaints policy either straight away or after other forms of communication have been tried.

### **Communication with the school**

In the case of communications with the school that are not raising a formal complaint the following guidance will apply.

### **Meetings**

8. Face-to-face conversations are generally the best way of communicating with the school at drop off or pick up for quick, short messages.
9. When a member of staff is not able to speak to you immediately face-to-face due to school commitments, or a longer conversation is deemed necessary or appropriate, then a request for an appointment can be made to discuss the matter either in person or by telephone, at a later date. The school will aim to arrange that meeting within 5 working days, however in the vast majority of cases it will be quicker.
10. Outside of teaching hours, all staff have additional duties which they perform either before school, during break/lunch or after school so availability of staff outside of teaching hours should not be assumed.
11. Should a meeting be requested the decision of which staff member will attend will rest with the Headteacher.

### **Email**

12. Parents are welcome to email the school, **adminoffice@orchard-jun.hants.sch.uk**, about non-urgent issues in the first instance.
13. Emails will be most helpful if they are concise, explaining concerns in a clear way. Lengthy and overly detailed accounts can make it more difficult to understand what is being explained and to respond in a timely or clear way.
14. The school will aim to respond within 5 working days. If a response is unable to be provided within this timeline, which can be to ensure a full and considered response, then a revised timeline will be provided and communicated. We ask that parents await a response from the school and that further emails are not sent pending that response, unless the new deadline has passed.

### **Phone calls**

15. If a query or concern is time sensitive and urgent the parent should call the school office, who will liaise as necessary at the earliest opportunity. In most circumstances,

teaching and leadership staff are unlikely to be available to receive calls due to teaching and other commitments.

**16.** If the query or concern is not time sensitive and urgent then parents should email or call the school office and the relevant member of staff will aim to contact them within 5 working days. If this is not possible (due to teaching or other commitments), someone will respond to schedule a phone call at a convenient time.

17. For general enquiries, please call or email the school office.

### **Social Media**

18. The school will not respond to concerns raised via social media.

19. Where a social media site is run by the school, comments will be disabled.

20. Should the school be made aware of any physical threats or abusive behaviour towards staff members on social media then the school will consider reporting this to the Police and seeking the removal of this content from the site.

### **Communication during school hours/ working days**

21. Staff will **aim** to respond to communication during core school hours (8.50am to 3.20pm), or their working hours (if they work part-time).

22. Parents should **not** expect staff to respond to their communication outside of core school hours (8.50am to 3.20pm), or during school holidays.

23. Staff may choose to work around other responsibilities and commitments and respond outside of these hours, but they are **not expected** to do so.

### **Types of unacceptable behaviour and communication**

24. There are some types of behaviour / communication that the school consider unacceptable. These are as follows:

- Any physical aggression eg. slapping, hitting, punching and kicking;
- Physically intimidating a member of staff, or pupils e.g., standing very close to her/him;
- The use of aggressive hand gestures including finger pointing towards a member of staff or pupil;
- Spitting at a member of staff or pupil;
- Shaking or holding a fist towards a member of staff or pupil;
- Shouting at members of staff or pupils (either in person on school grounds, over the telephone or over video conferencing);

- Swearing, or using offensive language including derogatory language about a protected group or characteristic as defined by the Equality Act 2010;
- Threatening or offensive comments about a member of staff or pupil of the school; this can include verbally, via texts, emails, social media, etc.;
- Sending abusive messages to a member of staff, including via text, email or social media
- A large volume of emails in respect of the same matter over a short period of time.
- Continuing to raise the same issue despite it having been already addressed by the school.
- Posting defamatory, offensive or derogatory comments about the school, its staff, on social media platforms
- Disrupting, or threatening to disrupt, school operations (including events on the school grounds and sports team matches)
- Breaching or not conforming to the school's security procedures
- Covertly recording phone calls or meetings with member of staff
- Any other behaviour that is disrespectful, threatening or offensive

This list is not an exhaustive list but seeks to provide illustrations of such behaviour which has no place in our school community.

### **Actions that may be taken by the school as a result of unacceptable behaviour and communication**
