Orchard Junior School Annual General Meeting

Dear Parents / Carers

On Monday 21st November, the OJS PFTA will be hosting their Annual General Meeting. This is a great opportunity to wrap up the previous years events, meet the team behind the scenes and elect new members of the committee.

The PFTA plays a very important part in helping the school raise funds for vital necessities to assist in your child's learning. At this current time we are raising money to improve the outdoor space used by the children for playtime, PE and basic outdoor education. It is with hope and vital funds that the current space will be made more accessible and provide a more sensory and educational side to playtime and offer better facilities for learning. With your help we have already been able to contribute £10,000 to this project to aid the completion of phase one, but there is still plenty to do and we would love to welcome new members, with new ideas, to our team, to continue with our efforts.

The PFTA cannot operate without the help of volunteers, so whether you are able to help a little or a lot, your contribution really will mean a great deal. This can be anything from wrapping presents, to helping at an event or even contributing prizes to raffles or cakes at bake sales.

Want to sponsor an event and feature on our correspondence, please send an email to ojspfta@gmail.com and we'll be happy to discuss how you may be able to help us this year.
